HOW TO USE THIS GUIDE

This guide has been created to list different service opportunities that exist at Harrison Church. It may not contain every volunteer opportunity, but it covers the majority of the volunteer positions available. The guide will match your spiritual gifts to the different volunteer opportunities. If you have not taken the spiritual gifts inventory, please use the spiritual gifts discovery tool on the church website. If you need a paper copy, please contact Anita King for assistance.

In addition to your spiritual gifts, pray for guidance in selecting a service opportunity and also take into consideration your passions, talents and experience. We would encourage you to pick an area of service and try it for a short period of time before deciding whether or not it is the right place for you. Don't give up after the first try! We believe that if you are serving in your area of giftedness, you will make the biggest impact and feel the greatest sense of satisfaction and joy. If you find that the area of ministry you have selected is not a good fit, please let the ministry leader know and we will be happy to help you find a ministry that is better suited to your giftedness and passions.

Remember that you have been given a unique combination of spiritual gifts – there is nobody else who can do the ministry that God created *you* to do. You are an important element in this body of Christ and without you, the body cannot function properly. Your gifts are just as vital to the body as those of the pastors and paid staff! It is important, therefore, that you take time in prayer to discern where God has called you to serve at Harrison Church.

Once you have discovered your spiritual gifts, you can go through this guide and find the areas of ministry best suited to your gifts. The guide is in sections by ministry area and provides information for each volunteer position. A contact person is listed for each ministry area. Please feel free to reach out to the contact person with any questions you may have.

If you need assistance from a staff member, please contact Anita King at <u>anita @harrisonchurch.org</u> or (704) 541-3463 ext. 213.

SPIRITUAL GIFTS

What are Spiritual Gifts?

Spiritual Gifts or Gifts of the Spirit are special abilities the Holy Spirit gives to each of us to help the church (the "body" of Christ - each other). There are different kinds of Spiritual Gifts, but only the Holy Spirit is the source (I Corinthians 12). Every one of us is given at least one Spiritual Gift.

Discover Your Spiritual Gifts

To discover how you have been uniquely gifted, take the Spiritual Gifts Discovery assessment. Even if you have taken a Spiritual Gifts assessment in the past, please take time to re-take the assessment, as your Gifts may change over time.

Match Your Gifts to an Area of Service

- 1. Pray. Ask God to provide guidance in your search for the area of service most suited to your giftedness.
- 2. Read through the Service Guide and identify the areas where you feel excitement or passion. You may find that you are being called to serve in a different area of ministry where you have not served before. If you need more information, please contact the corresponding ministry leader listed in the guide.
- 3. Read through the list of Spiritual Gifts and corresponding areas of service listed on the next page of this booklet, locate each of your Spiritual Gifts and circle the areas that speak most to your heart.
- 4. Take into consideration your passions, talents and experience. While you may not want to serve in the same area as your career (e.g. teacher, finance, etc.), the talents that you have acquired in your career may be applicable to other areas of ministry.
- 5. Try something! Even if you don't have a clear direction, pick an area that you are interested in and try it. While it may not be the right choice, you might learn something in the process.
- 6. Ask a friend to join you. If you don't want to start alone, bring a friend with you. Most volunteer opportunities are not limited to church members*. Everyone is welcome!

*Background checks are required for volunteer positions involving children and youth in accordance with our Safe Sanctuary policy.
