

HARRISON PRESCHOOL

Philosophy

Harrison Preschool is a Christian-based program designed to provide an enriching play and learning environment for children below kindergarten age. We introduce children to academics in meaningful ways, using hands-on learning centers rather than dittos and worksheets. The focus of our activities is on interaction-between children, between children and adults, and between children and materials. Our activities involve both inside and outside learning areas, and include extra curricular activities brought into the school.

As a Christian program, we teach Bible stories, verses and songs.

Parental involvement is critical to the success of our program. We encourage parents to fill in as substitutes for assistants, to volunteer for special activities, to share talents and skills, and to assist wherever possible.

Welcome

We offer a loving atmosphere for your preschool-aged child where he/she can grow, learn and play. Our teachers are carefully selected based on their experience and their love for children. We offer age-appropriate activities that are carefully planned to meet the needs of each child. We have an open-door policy in which parents and potential parents may come at any time to observe the classroom. We also offer many opportunities for parental involvement.
